

Description

The **NDC 101** is the regional conference of PCEC National Disciplemaking Campaign that aims to gather pastors and church leaders to encourage a collaborative efforts in fostering healthy disciplemaking churches in their region.

GENERAL PLANS

IDMC 101

The first wave of conferences in every region will be IDMC 101 which includes four sessions:

- a. See the Critical Need
- b. Understanding the Biblical Strategy
- c. Determine the End Product
- d. Accomplishing the Mission

IDMC CLINIC

After the IDMC 101 Conference, those who express a need for further assistance will be invited to an IDMC Clinic to build discipleship relationships. The clinic will help participants assess their current status and identify specific steps to become more intentional in disciple-making. The main targets are those not yet involved in the movement.

IDMC CONFERENCE

Subsequently, a regular IDMC Conference will be held annually in each region to maintain focus on the “main thing”. A pool of speakers and workshops will be available.

ANNUAL CHECK-UP

For continuous mentoring, there will be an annual check-up with those who are receiving assistance.
